from Rev Edward Keene
Curate of Little Shelford

Holiday season is upon us. Whether you are about to set off or have already been away, before schools finish, many of us will be enjoying one of two well-earned weeks off over the summer.

For younger villagers, the 'holidays' may last rather longer. It was however axiomatic when many of us were students that the summer break was a 'vacation', not a 'holiday'. That is, a time of 'vacating' one's term time accommodation in order to *continue* work elsewhere. This vacation period could include a holiday, but was not expected to consist of unadulterated leisure!

The distinction of these two terms is (perhaps unusually) better maintained by our transatlantic cousins. In America, the term 'holiday' retains more of its original sense as a 'holy day', or at least a select few days for particular (often religious) commemorations.

Fittingly, the Sunday morning talk series at All Saints this summer is the Psalms of Ascent. These 15 psalms (numbers 120 to 134) were originally sung by the ancient Israelites as they processed up to the city of Jerusalem for the three great 'holy day' festivals (Passover, Pentecost, and Tabernacles—known in Hebrew as Pesach, Shavuot, and Sukkot).

This series of Psalms includes some widely-known and well-loved verses, not least the opening of Psalm 122;

*I was glad when they said to me,
"Let us go to the house of the LORD!"
Our feet have been standing
within your gates, O Jerusalem!*

These lines provided the inspiration for Hubert Parry's famous 1902 anthem "I was glad", composed for the coronation of King Edward VII. Parry deftly captured the thrill of raw emotion in the psalm—the news that it was time to go to the temple in Jerusalem was happy indeed. It was the seat of the living God! The interface between earth and heaven.

A key part of the Christian good news is that the joy of Psalm 122 is now available not only to the Jerusalem holi-day pilgrim, but to all believers anywhere. God's dwelling on earth is no longer restricted to one building, but by the Holy Spirit is built in the souls of all followers of Jesus Christ.

A trip to Jerusalem is still worthwhile in the C21st; it is a fascinating place. But whether your 2022 summer Easyjetting is taking you there, or to a French campsite, or to a Greek yacht, or to a Cumbrian mountain, or indeed anywhere, we can rest assured that deep and lasting 'gladness' can be ours today.

It is with sadness that the village and church will soon say goodbye to Josh and Rachel Cairns, as they move back to Northern Ireland in August. Josh has been on staff at All Saints for six years.

That evening an over 18's Platinum Jubilee drinks reception at Priesthouse in Church Street was well attended, with a lovely sunset in the beautiful gardens, our hosts Kate and Ian were exceptionally generous.

David Adams was our musical director for the evening at the Platinum Jubilee sing-along in The Navigator on Saturday evening. A romp through a selection of hits from Her Majesty's reign including some of her favorites, The Lambeth Walk, were enjoyed by young and old. The party really got going, dancing on the tables to ABBA, it all seemed to end too soon. Happily, no injuries were reported.

The All-Saints Parish Church 11am service focused on Thanksgiving for the Queen's 70-year reign. All weekend there was an opportunity to visit the North Building to view 70 Years of Village Life exhibition and sign a book of congratulations which will be sent to Her Majesty the Queen.

It would be lovely to think that at a future Jubilee celebration, whenever that might be, photos will be displayed in the North building of our event, Church Street will be closed, bunting will be hung, and the tradition continued. It is what makes living in Little Shelford so special. Photos and video footage from the day can be shared by Dropbox. If you would like the link please email brigidroche@yahoo.co.uk.

Review: Platinum Jubilee Weekend

The villagers of Little Shelford and their friends came out to celebrate the Queen's Platinum Jubilee in style on Thursday the 2nd of June with suitably glorious weather. The village has a strong tradition of street parties on Church Street and "going early" resulted in us making four national newspapers, ITV's local evening news and a whole page spread in the Cambridge paper; not bad at all as we have about 850 residents.

With Church Street closed and tables festooned with bunting, more than 300 people brought plates to share and a festive spirit to the gathering. Competitions for adults and children were enthusiastically entered, tables were decorated with the platinum posies, inside the Village Hall people could taste the Jubilee pudding entries while looking at the wonderful themed children's art.

The Jubilee puddings, judged by local celebrity chef Ben Orpwood from the Great British Menu, were delicious with Ken Turner taking first prize. The Platinum Posies were very pretty, the competition was won by Perveen Taybali and all the entries in Jubilee-themed Picture won a special commemorative 50p; perhaps a future collector's item?

Some local teenagers entertained us with the "open mic", and the afternoon finished with a rousing chorus of Sweet Caroline and a patriotic God Save the Queen.

Best dressed village house competition was won by 17 Church Street Little Shelford themed with both Jubilee and Ukrainian flags to help welcome refugees to our village (for photo, see p.12).

On Friday morning the sun was shining again and All Saints church bells rang a quarter peal this was streamed and unique footage from inside the bell tower now recorded for posterity.

Sunday Services at All Saints Parish Church

At the heart of what we do at All Saints are our Sunday services. We welcome people from all church backgrounds or none and both committed Christians and those undecided or investigating the Christian faith. We'd love you to come and join us. The pattern of services is as follows:

9:30am family & children's service followed by groups

Fun and Bible stories for children aged 0-11 and their parents/carers. This short (usually half hour) service is followed by age-appropriate groups in the Memorial Hall, North Building, and church. Our group for 11-14s, Pathfinders, meanwhile meets in the Rectory 9:30 to 10:45am.

11am morning service

Our second morning service has both an in-person congregation and an online one who watch the livestream together on Zoom. Please email if you would like to join the Zoom on Sundays (office@allsaintslittleshelford.org).

Sunday @ 6

An informal 6pm gathering with a wide range of ages attending and which lasts for around an hour from 6pm. During Summer we will be looking at various Psalms in this service.

TNG, our youth group for 14-18 year olds, meets after the evening service during term.

Weekly Midweek Events

Homegroups meet on Monday or Wednesday evenings or Wednesday afternoon. If you would like to know more about homegroups or join one please speak to the Rector, Simon Scott (841998).

Women's Morning Group meets on Thursdays during term time from 9:45am for Bible study and prayer. There is usually a crèche. Please phone Christine Ayling (840405) if you would like to know more.

All Saints Tots Wednesday mornings from 9:30 in the village hall. Please email tots@allsaintslittleshelford.org for details.

Monthly Midweek Events

Kaleidoscope meets monthly for the more senior members of the village and church. For information contact Joan Church (842243).

The Church Bell that triggered a hunt that led to a King

Having lived in the Village for 23 years I have grown to appreciate how much history surrounds us here in Little Shelford. A small village with a Manor House and Hall? That's unusual enough but the history of All Saints is of particular interest to me and there is an excellent church history available written by Kenneth Hurst in 2004.

The history of the Church describes the five bells, in the belfry, one of which has an unusual inscription "*Richardus Holdfeld me fecit - Henry Wryslle Earle of Southampton, 1612*"; "me fecit" is Latin, but quite simply reads "made me" so put into modern English the inscription says "Richard Holdfeld made me for the Henry Wriothesley [pronounced "rose ley"], Earl of Southampton, 1612".

I was intrigued, why on earth would the Earl of Southampton [His 1603 portrait is shown here], whose family seat was Titchfield Abbey in southern Hampshire, donate a bell to All Saints Church Little Shelford? I also remembered, from my school studies, that Henry Wriothesley, the 3rd Earl of Southampton, was the individual to whom in 1593 William Shakespeare dedicated his narrative poem Venus and Adonis, followed in 1594 by The Rape of Lucrece.

The dedication on the front cover of The Rape of Lucrece is couched in extravagant terms: "*The love I dedicate to your lordship is without end ... What I have done is yours; what I have to do is yours; being part in all I have, devoted yours*". This triggered my interest, I really needed to know why the bell? What was the connection between Henry Wriothesley and Little Shelford. This began a considerable amount of research which in turn led me to many intriguing facts about Little Shelford, its residents and many other residents in nearby Villages and towns, including a direct link to King James I of England. I have summarised all I have found as the story of "The Court of South Cambridgeshire" in which Wriothesley played a significant role.

For those who are interested to know more, I will be doing a presentation on many of my findings entitled "**The Court of King James in South Cambridgeshire**" at the next meeting of the Little Shelford History Society on Wednesday 9 November 2022 at 7.30pm in Little Shelford Memorial Hall. It's a few months off so in the meantime, if you would like to know more you can contact me at davidjhjones@btinternet.com or the History Society Chairman, Ray Saich, on pandrsaich@gmail.com.

Face Masks

NHS England have updated the guidance around the wearing of face masks in GP surgeries. You no longer have to wear a mask when coming into our buildings, unless you have respiratory symptoms such as coughing or wheezing. Of course if you prefer, you can continue to wear a mask.

Doctors and nurses are advised to wear face masks when they are seeing patients with respiratory symptoms, and some clinicians may prefer to wear a mask when seeing any patient.

Long Term Conditions (LTC)

You may have received a text recently regarding your "LTC Review". LTC stands for Long Term Condition, which describes illnesses such as asthma, COPD, hypertension, kidney disease and diabetes. Since April we have started aiming to review patients around their month of birth. There will be a transition phase as we work towards this. Please do not hesitate to contact us if you have any questions.

Green Groups in the Shelfords, Stapleford & Sawston (2G3S)

What we've been doing

Some of you will have seen us at the Stapleford Village Show, where we entertained children with Bug Bingo and families with our Challenge Quiz and the Higher-Lower Game. Participants enjoyed home-made flapjack or a little gift soap donated by Full Circle.

Every journey you can do without using your car can bring that % down a tiny bit. Every box of grapes from South Africa or wherever that you replace with fruit that is either British or can be shipped here (e.g. bananas, apples, citrus fruits, strawberries) saves some air miles. Every flight you can avoid or replace with train travel will reduce your emissions hugely.

Future events

Repair Café on 30 July at 2pm to 4.30pm at the United Reformed Church, 36 Duxford Road, Whittlesford. More details on our website. It helps to book your repair in rather than just turn up, as we can't guarantee to fit in all walk-ins if the timetable slips. Our next walk will be on 20 August at Nine Wells Local Nature Reserve. For all our walks, sturdy footwear and appropriate outdoor wear are advised. These walks are intended to raise awareness of our local wildlife sites and are open to all. We plan to hold a Fruit and Veg Swap session on Sunday 28 August from 2pm to 4pm.

And in time for the energy price hikes in the Autumn, we will be having two conversation evenings. The first is on heat pumps on Monday 5 September: 'Heat Pumps Explained' by Warren Pope, from Peterborough Environment City Trust. He has experience of advising on this technology and has worked with the companies that install energy-saving measures. And on Monday 3 October our conversation evening will be 'Low-Cost Energy Saving Measures' by Bart Hommels, who has retrofitted his own home and featured in Cambridge's Open Eco Homes.

If you are interested in green matters and the environment at all levels, send an email to greengroupssss@gmail.com to sign up for our newsletter, or to get more information about our meetings. Also see our Facebook page and our website.

Little Shelford Cricket Club Update

The Cricket Club has been very busy since the last edition of "Around Little Shelford", all of our teams have played many fixtures, with no rain cancellations, the new artificial strip is being well used, our Junior U15 side progressed to the Cambridgeshire Cup Final and we have started Soft Ball Cricket again on the Wale on Saturday mornings over the school summer holidays. More details on all these developments are set out below.

Fantastic Achievements by our Junior players in our first full season

Our Junior section only started two seasons ago but are going from strength to strength. All three levels are under the watchful eyes and excellent coaching of Ian Reid and Jamie Harrison. In late June our U15 team made it to the County Cup Finals and sadly lost to St Giles by just 20 runs. Congratulations to the U15 team for making it to the final and for great performances in achieving that. We were a little bit disappointed that the local Cricket authorities managed to arrange the U15 final on the same day as a Cambridgeshire County U15 match. We are proud to say 5 members of our U15 team are regular Cambridgeshire U15 players, so they, of course, were not able to be members of the team for the final, putting us at something of a disadvantage. As at the 26 June our Junior teams playing record was:

U15A XI: Played 9 Won 7 Lost 2

U15B XI: Played 5 Won 4 Lost 1

U13 XI: Played 5 Won 1 Lost 4

U11 XI: Played 9 Won 7 Lost 2

U15 Players make regular appearances for the Senior Teams

Equally impressive is the fact that some of our U15 members are making regular appearances in the Senior Teams, purely based on merit. It has been great to see the performances of Seb Harrison, Jack Deudney, Alex Harrison, Milan Pankhania, Mukhill Pandian, Connor Vestey, Ishaan Bole, Josh Soosapillai and Aaron Bose in the Senior Teams. Indeed, rather embarrassingly for some of the Seniors, some of our Juniors feature well in the senior bowling and batting statistics for the club. Seb Harrison, an U15 player, is one of only two centurions so far this season in the senior

Shelford Community Orchard and Woodland Project

SCOWP held the official opening of the Orchard and Woodland Project on Blennie's Patch to coincide with the first day of the Platinum Jubilee celebrations. Many thanks to the Little Shelford community for such a fantastic turnout!

SCOWP Chairman, Mike Darsley, gave an overview on the project and then introduced Deputy Lieutenant and local resident, Caroline Bewes, to officially open the orchard with the planting of a small leafed lime tree and unveil the Queen's Green Canopy Plaque. There was then a children's treasure hunt, which was very successful with over 35 children taking part; many thanks to Katie Hatton (Beavers coordinator) for her crucial help!

We hope that most of you have had a chance to enjoy the developing orchard by now and we look forward to enhancing the appearance of the area with the planting of additional trees and improvement of the central meadow, with more community events to look forward to!

Village Equipment Store Update

Last autumn we established a small collection of essential medical and family equipment to be used by people in the village, having found that on several occasions, people couldn't get hold of what they needed immediately. We now have a range of items, generously donated by members of the village, including wheelchairs, walking sticks and frames, perching stools, grippers, shower stools, strollers, highchairs, travel cots, crib, and garden toys. For a full list please contact us on the numbers below.

The store is hosted by Maurice and Jessie Palmer at New Barn on the High Street. If you have need of any of this equipment, please let us know. It is also available to be used by visiting family and friends. We will be delighted to help deliver items from this Little Shelford amenity.
