The committee meets every 3 months to discuss ongoing and future projects for the church buildings and church yard.

We also organise work parties to maintain church buildings and church yard.

Current projects:

#### **Vestry**

- improvements and decoration of the vestry have been done and a faculty for new north door is proceeding

#### **North extension**

- The boiler cupboard has been reordered and heating system has been updated. Renovation of the toilet and kitchen is planned.

#### **Church building**

- Pews and chairs - replacement of the loose pews and in due course the fixed pews is being considered.

#### **North building**

- Heating system has been updated and a new oven installed
- A new floor, carpet and painting of interior walls are planned for 2024
- Replacement Kitchen window has been installed

#### **Church Yard**

- Paths - Resurfacing of paths has been given planning approval by SCDC and faculty from Diocese of Ely awaited. We Hope the work will be done in the summer of 2024
